Description

Used Trane ERTHA 450

Used Trane ERTHA 450 water-cooled chiller on Freon R134a. Complete with Trane CHHA450NA1DN325NNN semi-hermetic screw compressor, Trane 256/7-F shell and tube condenser, Trane 256/6 shell and tube evaporator and a control cabinet with a Trane AX39470140-08-A3 control panel. *All components of this chiller will be tested on good working, leak free condition (condensing blocks, compressors, fans, control panel, etcetera). Choosing HOSBV means buying with warranty. We perform an industrial cleaning and rust spots will be covered. Also, we can arrange your shipment.
