Description

Used Euroklimat RKO.E-B/LN/AS 151S Brand new

Brand new Euroklimat waterchiller RKO.E-B/LN/AS 151S. Containing the following elements: Semi hermetic Frascold S15-52AXH compressor with safety pressure switches. Brazed PHE Alfa Laval ACH-70X-50M-F. Air heat exchanger finned coil made with copper pipes. 1 Low speed fan on top. This is a low noise version, the grille on the air-inlet side reduces the noise emissions and minimizes disturbing low frequency tones. Control panel on the outside of the machine.
