

Hansen Auto-Purger APM-2

Specifications

Marque	Hansen
Type	Auto-Purger APM-2
Stock	1

Description

Used Hansen Auto-Purger APM-2

Used Hansen Auto-Purger APM-2. This purger is a compact version of the original AP Auto-Purger, the APM Auto-Purger is ideal for medium size systems, up to 200 tons (703kW). Like the AP, the APM features automatic start-up with electronic control. Designed for up to four purge points, an electronic "brain" searches for non-condensable gases in the system and purges at those points where air is present.

The APM includes an automatic water bubbler and comes standard with a NEMA 12, 13 control cabinet.

For use with ammonia or halocarbon refrigeration systems.

"*Why choose for HOSBV? Were not only the largest used refrigeration specialist in Europe, but also, we deliver all equipment including an extensive test, warranty and industrial

cleaning. Optional we can arrange
shipment and export documents."
