

# Güntner GFH 090.1 A-2x6 L(D) - F6-2P

## Specifications

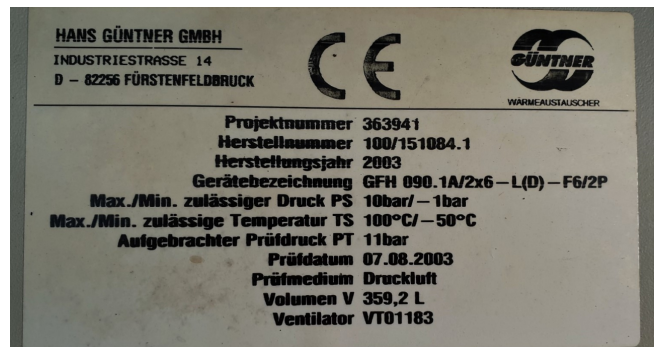

|                         |                                                |
|-------------------------|------------------------------------------------|
| Merk                    | Güntner                                        |
| Type                    | GFH 090.1 A-2x6 L(D) - F6-2P                   |
| Product type            | Drycooler                                      |
| Capaciteit kW           | 621,2                                          |
| Aantal Ventilatoren     | 12                                             |
| Toerental Ventilatoren  | 600                                            |
| Koudemiddel             | Glycol                                         |
| Luchtstroom in m³/h     | 162 000                                        |
| diameter ventilatoren Ø | 910                                            |
| Oppervlakte (m²)        | 3004                                           |
| Inhoud leidingen        | 359                                            |
| Afmetingen              | 11400x2291x1480 mm (LxWxH)                     |
| Opmerkingen             | Y.O.B. 2003 / Weight: 2248 kg / Aluminium Fins |
| Stock                   | 2                                              |

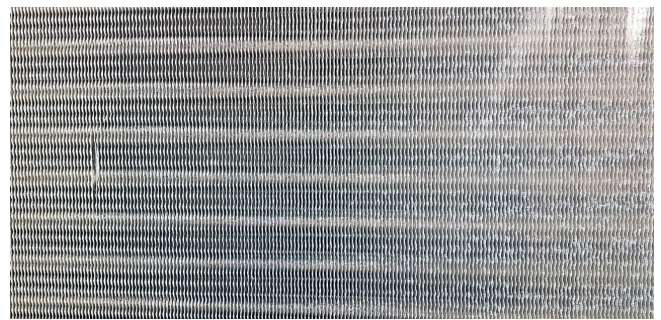

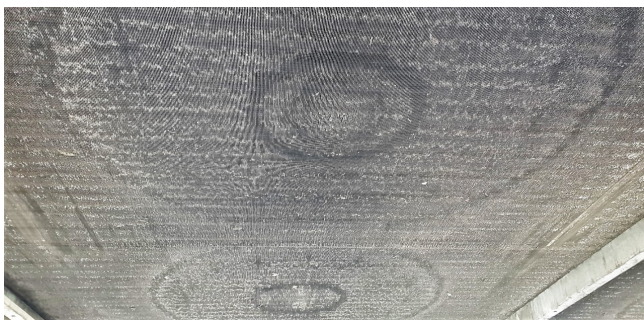

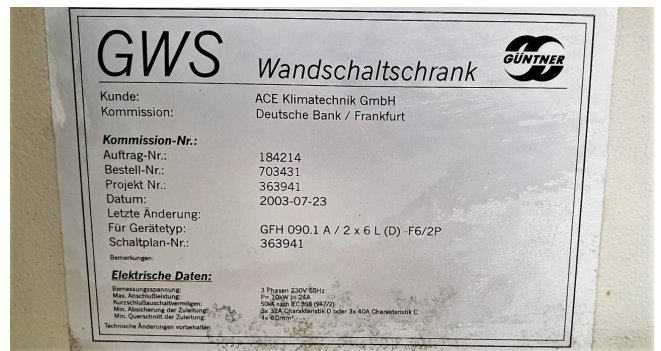

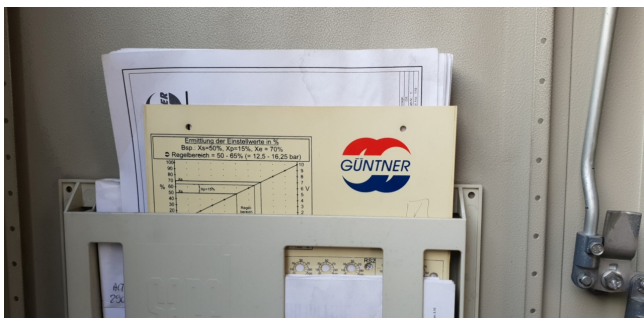

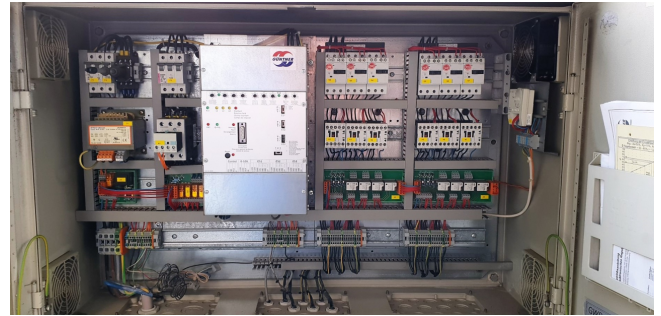

## Description

### Used Güntner GFH 090.1 A-2x6 L(D) - F6-2P

Gebruikte Guntner GFH 090.1 A - 2 x 6 L (D) - F6-2P // 12x ventilatoren: Guntner FE091-ADS.6K.S / 3 ~ / 400V / 50Hz / 0,76kW / 1,5A / 600/370 RPM // Volume: 359,2L

Your partner for used commercial and  
industrial refrigeration equipment
