Description

Used Bitzer VI open driven tank aggregate

Used Bitzer open driven tank aggregate, consisting of V-belt driven VI Bitzer compressor and 11kW E-motor, oil separator, liquid fluid tank and Liquid line filter drier. Our capacity table is based on the used type of Freon. You can also use this compressor on alternative types of Freon. For all the other specs (if available), see the picture of the manufacturer model plate or the attached pdf file. *Why choose for HOSBV? Were not only the largest used refrigeration specialist in Europe, but also, we deliver all equipment including an extensive test, warranty and industrial cleaning.
