Description

Used Sabroe SMC 104 L HP cool/freeze unit

Used, well maintained V belt driven JCI Sabroe SMC 104 L-HP Ammonia Nh3 compressor. Consisting of all necessary components (see all pictures attached). Our capacity table is based on ammonia NH3. For all the other specs, see the picture of the manufacturer model plate or the attached pdf file (if available). *Why choose for HOSBV? Were not only the largest used refrigeration specialist in Europe, but also, we deliver all equipment including an extensive test, warranty and industrial cleaning. *Optional we can also perform a new paint job and arrange the logistics

Your partner for used commercial and industrial refrigeration equipment
